

WASATCH COUNTY EMERGENCY NOTIFICATION SYSTEM SIGN-UP INFORMATION

This form is to allow you to put together the necessary information to create your account in the Everbridge system. If you don't have access to the Internet, present this completed form to the Wasatch County Public Works Department and we will setup the account for you. This information will not be shared with anyone. When we have completed the sign-up process, your information will be destroyed and it will be necessary for you to log on and change your password. This ensures that you are the only one with access to your information.

EMERGENCY CONTACT PATHS:

You have the option of providing up to nine (9) different contact points. You can then prioritize these contact points. You can label them from one to nine (1-9), one (1) being the first point the system will attempt to reach you at and nine (9) being the last. If you are not reached at the first contact point, the system will go down the list and attempt to reach you at the following contact points. Please provide us with the information next to the description and then label them from 1-8.

Priority	Contact Point	Information
	Home Phone 1	
	Home Phone 2	
	Mobile Phone 1	
	Mobile Phone 2	
	Business Phone 1	
	Business Phone 2	
	Email 1	
	Email 2	
	Txt Messaging <i>(Not Recommended for Emergency Notifications)</i>	

NON-EMERGENCY CONTACT OPTIONS:

You are automatically signed up to receive Emergency Notifications. You have the option of signing up for Non-Emergency Notifications. Check the boxes next to the notifications you wish to receive and then complete the table as you did for the Emergency Contact Paths. The order does not have to be the same for Emergency and Non-Emergency notifications, they are separate.
